### Available Tissue

Information on available tissue can be found on the [Stuart Web](#) portal

Setting up Stuart Web accounts for new ABR clients can be found [here](#)

### Delivery

Delivery via the ABR delivery van will be at no charge in 2024, as long as the van is delivering mice to the destination on the same day.

ABR's delivery van schedule can be found [here](#).

All other shipments will be completed using commercial couriers and clients will be charged the full commercial rate.
